New Accrual Log

Our research team created an Accrual Log spreadsheet that was sent to all IRB approved sites to track MBO patients with regards to reasons they were or were not offered the study and their eligibility status. Please return the log to S1316@swog.org weekly or send an email stating you didn't see any MBO patients for that week. If you didn't get an Accrual Log or have questions about it, contact S1316@swog.org
