

Is Your Site Interested in a SWOG CTP Study?

STEP 1: DISCOVERY

Review study information at swogctp.org/abstracts (pre-activation) or swogctp.org/trials (post-activation)

STEP 2: SURVEY

Look for and complete the Site Feasibility Survey (found via the link above).

STEP 3: SELECTION

If selected, your site will be provided the IRB-approved documents and a site agreement to complete.

STEP 4: AGREEMENT

Return your signed site agreement to SWOG CTP Legal as instructed in the Welcome Letter.

STEP 5: START-UP

Begin your site start-up activities via Florence*
(CTP provides funding for this!)

For questions regarding any of the steps above, please email ctp@swog.org

*Florence will serve as the electronic Trial Master File (eTMF) for storing and exchanging study and regulatory documents, including updates, amendments, and communications. Sites are expected to use Florence for submitting documents to SWOG CTP and may optionally use it as their electronic Investigator Site File (eISF).
