

TAKE ACTION SYMPOSIUM: Advanced Practice Providers as Catalysts for Access, Enrollment, and Retention in Oncology Research!

PRESENTED BY
SWOG Recruitment & Retention Committee

THURSDAY, APRIL 30 · 2:30 PM - 4:30 PM PT · GRAND BALLROOM A (STREET LEVEL)

Target Audience: Investigators, research professionals, and patient advocates, NCORP and LAPS

Objectives:

1. Highlight the vital role Advanced Practice Providers (APPs) play in improving patient access and sustained participation in oncology clinical trials.
2. Describe the current challenges and emerging opportunities for APP involvement in oncology research.
3. Outline practical strategies for defining APP roles, strengthening compliance and training, and optimizing workflows across MD/APP/CRC research teams.

MODERATOR AND SPEAKER/PANELIST OUTLINE

<i>Time</i>	<i>Discussion</i>	<i>Speaker/Moderator</i>
2:30-2:35	<i>Welcome</i>	<i>Colmar Figueroa-Moseley, PhD, MPH & Kamara Mertz-Rivera, MA, CCRC</i>
2:35-2:50	<i>Objectives & Current Landscape</i>	<i>Christa Braun-Inglis, DNP, ARNP, FNP-BC, AOCNP Hawaii NCORP</i>
2:50-3:10	<i>Defining APP Responsibilities</i>	<i>Amy Koffarnus, BS, CCRP CROWN</i>
3:10-3:40	<i>Practical Strategies and Optimization</i>	<i>Alyssa Mader, DNP & Matthias Weiss, MD Wisconsin NCORP Dana Reeves, APRN & MDs & Daniel Mackey, MD Ozarks NCORP</i>
3:40-4:25	<i>Panel Discussion/Questions & Answers</i>	<i>Ashley Buscetta, MSN, FNP-BC, CWOCN NCORP Project Scientist</i>
4:25-4:30	<i>Session Evaluation and Wrap Up</i>	<i>Allison Caban-Holt, PhD, RRC Chair</i>
