

SWOG CLINICAL TRIALS TRAINING COURSE (CTTC)

For Clinical Research Associates

Hyatt Regency San Francisco

Wednesday, April 24, 2019

Who should attend?

- ❖ **New** SWOG Clinical Research Associate (CRA).
- ❖ SWOG CRA who hasn't ever attended the course **or** hasn't completed the online training course.
- ❖ Senior SWOG CRA who wants to brush up skills.
 - **Please note:** Since space is limited, CRAs should **not** attend this course every year as the content is geared to new members. For updated information, please visit the ORP Manual online. Statistics and Data Management Center (SDMC) updates are provided at other ORP functions during the group meeting.

CTTC important goals:

- ❖ To introduce the fundamentals of SWOG and National Cancer Institute (NCI) policies and procedures.
- ❖ To provide the foundation to efficiently perform your responsibilities as a CRA (the course includes a practicum session with demos and hands-on practice).

Cost:

- ❖ Thanks to a generous grant from *The Hope Foundation*, SWOG members are **not** charged a registration fee for this course.
- ❖ **Non-group members must contact the SWOG Data Operations Center (206-652-2267) for space availability.**

IMPORTANT:

- ❖ **REGISTER EARLY!** Space is limited to **115** participants. Sign up early for this very popular course.
- ❖ **Note:** *Registration to the general SWOG Group Meeting does not automatically enroll you in the CTTC.*
- ❖ **REGISTRATION DEADLINE: Wednesday, April 10, 2019.**
- ❖ Participants must attend the entire course and practicum to receive a certificate of completion.
- ❖ Registration to concurrent workshops is not permitted.
- ❖ Be sure to view the following online training modules prior to the meeting as they will **not** be covered at the group meeting (refrain from viewing the remaining modules as they're already on the CTTC agenda – otherwise it may feel repetitive). Click the 'Training' link on the CRA Workbench, then 'CRA Clinical Trials Training Course (CTTC)'.
 - The Cooperative Group Concept
 - CRA Perspective
 - Orientation to a SWOG Protocol
 - Ethics in the Conduct of Clinical Trials

Please refer to the [course agenda](#) for the course content.

Questions?

Contact Caylene Castagno at the SWOG Data Operations Center: (206) 652-2267.
