

## ORP Jeri & Noboru Oishi Symposium

Thursday, May 11, 2023 | 8:00 AM - 11:00 AM PT

Join us for the SWOG Oishi Symposium to revisit the “Land of Oz.” Travel along the Yellow Brick Road, tracing the journey of an NCI SWOG protocol as it weaves along the path from beginning to end. On the journey, you’ll be guided by many “Wizards” who will show you the “Magic of Oz” as well as a clinical trial survivor who “made the journey.” Learn about all the yellow bricks that pave the way to a successful study. Open to all SWOG attendees!

<b>Welcome and Announcements</b>	Connie Szczepanek, ORP Chair Joyce Nancarrow Tull, ORP Executive Committee
